## EYC Officers and Directors

- Lisa Gifford (Commodore)
- Steve Sauter (Vice Commodore)
- Hugh Haggerty (Rear Commodore)
- Carol Claypool (Treasurer)
- Fran Morof (Secretary)
- Marta Fonseca
- Woody Heidler
- Colin Knight
- Laura O'Rourke
- Jim Peterman
- Brian Ritter

In Connecticut, spring has sprung. A mallard couple has taken up residence in our pond and, after a big rain, there must have been at least fifty red breasted robins in our yard feasting on worms. When you read this article, trilliums will have braved the unpredictable Wisconsin month of May and adorned the woods. It will be time for the EYC to wake from her winter slumber and buzz with activity once again.

I spent the off season having the pleasure of staying in communication with your tireless EYC Board of Directors and Committee Volunteers. David Sauter, past EYC Commodore and whom I unofficially titled EYC Historian, reminded me that the EYC website serves as a historical vault. Not only does it provide a brief history of the EYC, it also has past issues of the Eagle's Cry. I found myself down the rabbit hole and entertained by reading former issues.

Fun Fact: The first issue of Eagle's Cry was published 60 years ago on May 1, 1964. Volney C. (Bill) Wilson was EYC Commodore and Dick Straubel was the Activities Director (Laura Thérien's equivalent). The initiation fee was \$5, annual dues were \$9.90 and there was a required special "Building and Dock Fund" contribution of \$10. You could be an EYC member for \$24.90 in 1964. When I Googled what \$25 in 1964 would be equivalent to in 2024, it was \$250 which, lo and behold, is the cost of Family Membership dues for 2024. The 1964 Eagle's "Cry" was to communicate and cooperate, a/k/a let us know what can be done better and then volunteer to help better the club. The EYC has always been a volunteer run club and my cry to all of you is "Volunteer!" Volunteering is an opportunity to be at the club with friends old and friends new. Volunteer run is why the club has so much heart.

Series and Regattas, the ARM Gala, Friday Night Potlucks, the Pancake Breakfast, Regatta Parties, the Fourth of July Ice Cream Social, Junior Activities, Bunco, Bridge and the Commodore's Party. So, when the weekly blogs ask for you to sign up to volunteer, DO! Consider co-coordinating an event with a friend or two and please let Laura O'Rourke, past EYC Commodore and EYC quintessential hostess ([lorourke4@aol.com](mailto:lorourke4@aol.com)), know you are excited to contribute to EYC good times. Remember, those who can, do!

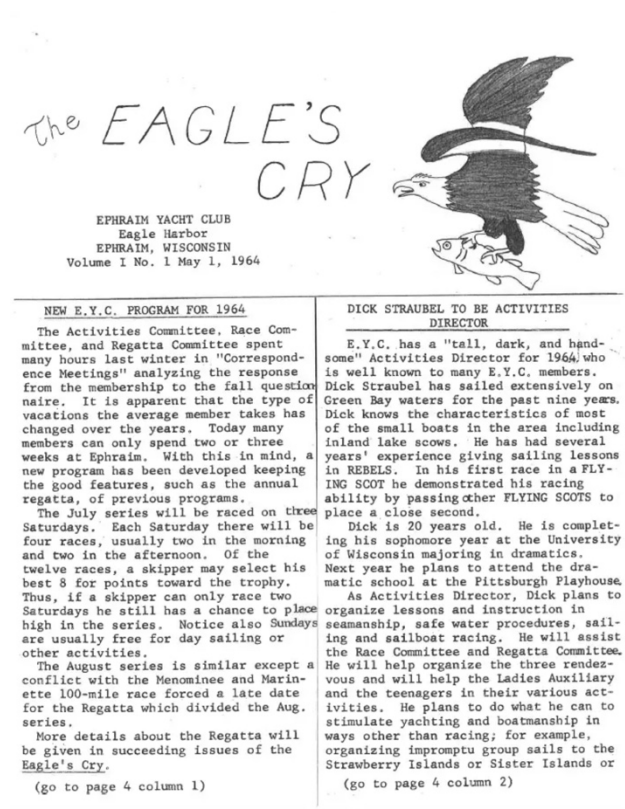

A BIG thank YOU to volunteers who have committed to serve the club in 2024 thus far: Sara Knight (Membership), past Commodore David Sauter and Julia Reynolds (Website), Nancy Claypool (Flying Scot Fleet Captain), Emily and Woody Heidler (EYC Regatta Chairs), Lisa Forsman (Social Chair), Mandy Miller and Barb Ziegler (Opening Social Chairs), Jane Ford (Pancake Breakfast Chair), Sherry and Rob Moore (ARM Gala and EYC Scholarships), Geoff Werner (Merchandise), Jeanne Papenthien and Carol Fiedler (Education), past EYC Commodore Suzanne Lisle (Bridge), Julie Watkins (Commodore Party Chair), past EYC Commodore Marsella Fults and Claudia Werner (unofficial Gardening Committee).

Aligning with EYC's mission and vision statement to provide outreach programs, equipment and facilities for sailing education, training and competition, EYC is happy to host two US Sailing courses. EYC will host the only US Sailing Safe Powerboat Handling Instructor course taught in the Midwest by Captain Scott Souders, June 14-17 and the US Sailing Small Boat Level 2 Instructor course, taught by Alison Jolly, University of South Florida sailing coach, June 22-23.

I'm proud to introduce the 2024 Staff leadership team. Laura Thérien will be the Club Director again. Jackson Graham (once again) and Hayden Johansen (inaugural year) will be Assistant Directors. Penelope Whiteside will be Head Instructor. We are excited to welcome Frances Depke who will join the staff as Race Coach.

Equipment will be well maintained in the capable hands of Henry Tasker as Opti Fleet Captain, Kate Dischner as RS Tera Fleet Captain, and Nathan Taylor and Will Knight as 420 Fleet Co-Captains. Annie Larsen will keep the clubhouse clean and orderly as Clubhouse Manager.

I want to thank the EYC Board of Directors including Hugh Haggerty, Steve Sauter, Laura O'Rourke, Carol Claypool, Fran Morof, Brain Ritter, Woody Heidler, Jim Peterman, Marta Fonseca and Colin Knight for all you have done thus far to plan a great summer and thank you in advance for all you will do to ready the club for opening and support the club throughout the summer season. Everything you do is way above your pay grade. LOL. You are an amazing group of individuals who contribute wholeheartedly to the EYC to make it the place we all know and love.

The 2024 Calendar is on the website. It is robust and offers something for all members. You will note a few additions and few changes. Instead of the Wine and Sign or First Mates Coffee, we will have Donuts and Coffee with the Board of Directors. Stop by the dock for a cup of coffee and grab a donut before starting your day. We will host New Member Drinks on the dock prior to the first Friday Night Potluck. The First Mates Potluck is returning to EYC because the Village Hall could not compete with the view from the dock. We will have a Sunset and Swim Family party in July. In addition, look forward to Race

The EYC is rooted in tradition, but trims her sails to stay current. I hope to see many of you join us in tradition on Saturday, May 25th at 9:30 a.m. for the Spring Clean Up/Clubhouse Opening Workday! Remember to check your email for the EYC blogs to stay on top of EYC activities throughout the summer season. I look forward to seeing you on the dock!

Ahoy!

## Dock and House

COLIN KNIGHT

View of the dock in 1999

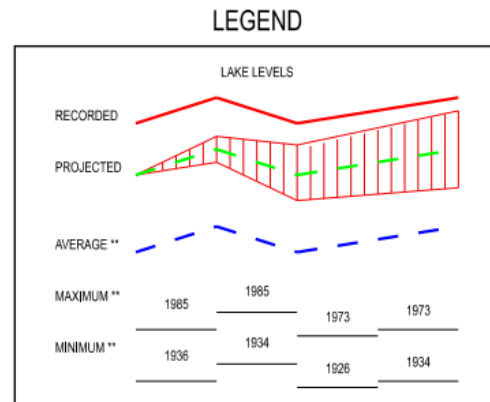

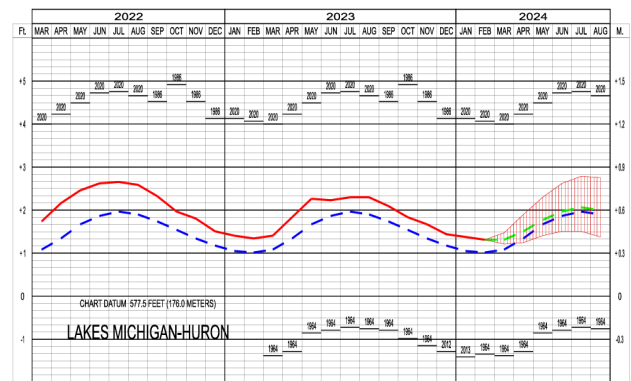

Spring is here and we have water (not ice) around the dock. We are hoping that this means we can get an early start getting all the lifts in the water ready for sailing. We added two new lifts last year and will add one more lift this year. Thank you Steve Sauter for finding another one!

When the lifts go in, we will be moving the Whaler lifts a little closer to the dock so that, when people get off the Whalers, they do not need to step/jump so far to the dock. We will also be giving the lifts a service before they go in the water so that everything is working well. The swim platform will also be put slightly farther away from the dock this year so that it is easier to bring boats to the north side of the dock.

The water level this year should be close to the same as last year, according to the Army Corps of Engineers. The lake will be at 579.07 feet above sea level, which is very close to the long-term average measured from 1918.

There will be some other minor dock improvements this year including, painting the new grates, covering or removing any last pieces of steel that have the potential to scratch boats, and replacing the old crane switch *before* it fails.

The new spigot at the end of the dock will be an improvement for us in 2024, so no excuse for a dirty dock and or boats!

I am sure we are all looking forward to seeing the dock filled with people and boats, ready for a great 2024 season. Looking forward to sitting on the bleachers watching the races, jumping off the dock to cool down, and of course going for a sail.

## Treasurer's Report

CAROL CLAYPOOL

### Profit and Loss:

November 1, 2022 Through October 31, 2023		
<b>Income</b>		
Donations - Unrestricted	2,769.62	
Donations - Restricted	16,784.75	
Membership dues	99,053.84	
Lesson income	89,172.15	
Merchandise	27,179.32	
Slip and locker rentals	5,097.65	
Bank Interest	4,955.60	
Regattas	4,181.67	
Fundraisers - Pancake Breakfast	2,358.49	
<b>Total Income</b>	<b>251,553.09</b>	<b>251,553.09</b>
Cost of Goods Sold		(14,577.77)
<b>Adjusted Income</b>		<b>236,975.32</b>
<b>Expenses</b>		
Staff - Wages, insurance, training, meals	103,280.90	
Repairs and Maintenance - Clubhouse, dock, boats	52,598.31	
Insurance	18,614.00	
Software and online service fees	12,193.83	
Printing and postage	6,614.38	
Regattas	5,697.91	
Professional fees (construction, legal, accounting, engineering)	9,491.23	
Supplies - Clubhouse, dock, boats, office	4,758.82	
Rent, utilities, phone, Internet, boat storage	4,949.02	
Fundraisers - ARM, Commodore's, Pancake Breakfast	19,898.53	
Trophies and awards	1,910.49	
Memberships (US Sailing, LMSRF, etc.)	2,020.00	
Misc. expenses	1,393.35	
<b>Total Expenses</b>	<b>243,420.77</b>	<b>243,420.77</b>
<b>Net Income</b>		<b>(6,445.45)</b>

**Assets:**

	November 1, 2022 Through October 31, 2023	
Liquid Assets		
Unrestricted funds	255,775.94	
Restricted Funds	23,794.77	
Total Liquid Assets	279,570.71	279,570.71
Total Fixed Assets		171,947.96
<b>Total Assets</b>		<b>451,518.67</b>

**Notable Expenses**

- Bathrooms were completely renovated.
- Clubhouse doors, stairs and framing were repaired or replaced; exterior was repainted.
- Grates on the dock were welded in place.
- Salaries were increased to be more competitive.

**Income**

- Dues, lessons and merchandise are the main sources of income.
- Money was consolidated into a high interest account to generate more interest income.

The cost of renovating the bathrooms, welding the grates on the dock and several of the clubhouse expenses were significant. However, these improvements are expected to last for several years. Overall, with our members' generous support, EYC continues to be in good shape.

**Membership**

SARA KNIGHT

Summer will soon be here, and over 386 members have already renewed! If you have not renewed yet, there still is time. Dues for 2024 are the following: Family: \$250, Senior: \$225, Single: \$225, Life: \$50, Young Adult: \$50, and Student: \$85.

To renew online and pay by credit card, sign into Club Express at: <https://eycwi.clubexpress.com> OR mail a check payable to Ephraim Yacht Club (designating Membership Dues on memo line) to: Jodi Hoyerman, P.O. Box 582, Ephraim, WI 54211.

Registration for 2024 lessons is now open. Current class

schedules and registration can be found at <http://www.eyc.org/lessons/>.

**Equipment Report**

STEVE SAUTER

Spring is here, the ice is out and it is time to sail.

We are in great shape for the summer season. Our fleets are snugly tucked away in their winter quarters awaiting the rush to summer. If you have any anchors or other boating equipment you are looking to find a new home for, please let me know.

Looking forward to seeing everyone on the dock this summer.

**Communications Report**

MARTA FONSECA

Have you been wondering what is going on at the EYC and searching for an EYC email and you can't seem to find it? Does someone in your family get all the EYC news and you would like to get an email sent to your inbox too? Did you accidentally unsubscribe from our email list or do you want to get back on it? Has your email been updated?

If you are looking to stay updated with the latest news and events at the EYC, please contact Marta Fonseca at this email [mfonseca@eyc.org](mailto:mfonseca@eyc.org). Whether you're looking to subscribe, resubscribe, update your email address, or simply get back on the mailing list, Marta should be able to assist you with your request. The EYC sends out information throughout the year and weekly during the summer season. Keeping in touch with our community is important, so please reach out to us to stay informed.

**Race and Regatta**

WOODY HEIDLER

Another summer filled with racing is upon us! Like every summer, there are opportunities for sailors of all levels to get involved in our summer racing programs. Please notice

that a few of our racing days have changed including Monday Flying Scot and Thursday RS Teras. Our club series races and regatta schedule are as follows.

**Club Series:**

- Monday: Opti/Flying Scot (6/10 – 8/5)
- Tuesday: 420/Laser (6/11 – 8/6)
- Wednesday: No Racing
- Thursday: Opti/RS Tera (6/12 – 8/8)
- Friday: 420/Laser (6/14–8/9) no races 8/2
- Saturday: Flying Scot (6/8 – 7/27)
- Sunday: No Racing

**Regatta Schedule:**

- Fyr Bal Regatta (FS): Saturday, June 15th, 2024
- Geezer-gatta (FS): Saturday, July 6th
- 420 Rich Hall Junior Regatta: Saturday, June 29th & Sunday, June 30th
- Opti Regatta: Saturday, July 13th & Sunday, July 14th
- Women's Regatta (FS): Wednesday, July 17th
- Laser Regatta: Saturday, July 20th & Sunday, July 21st
- Family Regatta (FS): Saturday, July 27th

- 119th Ephraim Regatta (FS): Saturday, August 3rd & Sunday, August 4th

See you on the race course!

**Education Report**

BRIAN RITTER

Hello loyal EYC members! Are you excited for the summer yet? If not, I hope to help get that excitement flowing because I can already feel that a great time is right ahead of us.

Every spring, I receive dozens of calls and emails from new families considering enrolling in lessons. Having been involved with the club for a long time, I've become experienced in the typical messaging to market the club's many benefits including:

- Summer social community
- Exclusive space for swimming, paddleboarding, and more
- Yacht club reciprocity privileges across America

These are all great pieces that, depending on how you play it, contribute to an adventurous or relaxing lifestyle. However, when I think back at the true value, especially for kids, it's personal development that I find to be the greatest benefit of getting involved with the club -- particularly through our wonderful education program!

Personal development manifests itself in many ways -- internal and external. It's a pursuit in mastery of self. It's also growth in how you make others feel and how you contribute to the community. From my point of view, it's not limited to just students. Our instructors also benefit from these opportunities, bringing extra satisfaction to my participation in the Education Committee. I'll elaborate on a few of these benefits below.

Sailing teaches responsibility. For students, there is a plenty of set-up that goes into taking a boat out and then storing it away. Students learn their responsibility to take

care of equipment, helping it last for the next time. Students learn responsibility to their crew mates. Everyone has a role to play when sailing safely and having fun. For instructors, this is often their first job! There are many lessons to learn while managing responsibility to the club members, coworkers, and, of course, their students by striving to make an impact.

Patience is also a virtue learned through sailing. You will likely see where I'm going with this if you've ever found yourself caught out in a dying breeze. Of course, it can be a frustrating experience. Slow winds force students to identify the things that they can change! Their boat kinetics, puff observations, communication to shore, and perhaps most importantly, their attitude! Additionally, patience is not lost on EYC instructors. Poor weather must be waited out. Energetic students could disrupt their control of the learning environment. New colleagues have many skills to learn before they excel. Overcoming challenges through patience is a great skill to carry forward in life.

I'm sure I can go on, but I'll finish with confidence. Like any skill, mastery brings self-satisfaction and the personal confidence to take on heavier winds, sportier sailboats, and larger personal goals. Our lesson curriculum provides the building blocks to incrementally build the confidence of our students in each course. Back to the perspective of coaching, confidence is a key skill towards maintaining a safe environment and inspiring our students. It includes speaking with authority and control. It includes inspiring students to the art of the possible. For all, confidence helps in building personal relationships and making the most of your potential.

So come on down this summer and make the most of your membership at the club! Sign yourself or your kids up for lessons. Pick up that new skill. Reinforce those personal development traits. Admittedly, these lessons can be found through many avenues -- that's not lost on me. However, I know first-hand that our program has a long history doing a wonderful job in a beautiful venue. I've personally seen these traits blossom in numerous peers I've met through lessons, coaching, and volunteering at the club. We're

proud to employ an excellent staff with experienced leadership that has a track record of creating an environment to foster these traits. Sailing here is a memory that will last forever.

## From the Director

LAURA THÉRIEN

Halfway through the spring semester, with rainy grey skies and the not uncommon morning dusting of snow, I can't help but look forward to warmer days on the EYC dock. Just under a dozen more weeks until we are all back enjoying the summer together! As I sit in class, I can't help but daydream about the coming summer: jumping off the dock, watching the sunset after an evening of races, donut day, end of session cookouts, playing cards in the clubhouse on stormy days, Wednesday night junior activities, the Ephraim Regatta, etc., etc. I'm so excited to spend another year at the EYC as Club Director. Last summer, we had a great team of staff who always showed up to the dock with a smile on their faces, ready to spread the love of sailing. I can't wait to watch this year's team do the same.

I'm happy to introduce our 2024 Staff:

- Club Director: Laura Thérien
- Assistant Director: Jackson Graham
- Assistant Director: Hayden Johansen
- Head Instructor: Penelope Whiteside
- Race Coach: Frances Depke
- Clubhouse Manager: Annie Larsen
- Instructor: Charlie Dischner
- Instructor: Kate Dischner
- Instructor: George Knight
- Instructor: Will Knight
- Instructor: Grace Mangun

Instructor:	Cameron Reynolds
Instructor:	Peyton Reynolds
Instructor:	Vivi Sauter
Instructor:	Henry Tasker
Instructor:	Nathan Taylor
Dock Assistant:	Carmen Graham
Dock Assistant:	Josie McCabe
Dock Assistant:	Rose Mortara

I'd also like to warmly welcome and introduce our Race Coach, Frances Depke! Frances is currently a junior at Hobart and William Smith Colleges where she is a double major in sociology and environmental studies. She is also a member of the HWS sailing team. Frances started sailing on Lake Michigan in Chicago when she was eight. She has coached at Columbia Yacht Club for the past three years.

## Flying Scot Fleet 44

NANCY CLAYPOOL, FLEET CAPTAIN

We are looking forward to a great season of sailing and racing in Flying Scots. For those of you who may be unaware, the Flying Scot Sailing Association (FSSA) and the Flying Scot are in the top five of the best one-design classes according to a US Sailing study.

As a leading one-design class, the Flying Scot offers racing and recreational sailing opportunities. Supported by a strong class, strict class rules, and a quality builder, the Flying Scot retains value and popularity. These attributes make the class strong, create demand, high resale values, a committed community of sailors, and well-attended regattas. The Flying Scot class is one of a few classes retaining a boat builder -- a builder that is dedicated to quality, the class, and building in the USA.

Membership and support of FSSA enables this relationship to succeed. If you have joined or renewed your membership, thank you. If you have not yet renewed or joined, please do, as we all will benefit. (Boat owners should be members; associate memberships are available for crew.)

This summer, besides our regular club racing, we'd like to get more people out on the water in Flying Scots. We will be putting together some recreational sailing events (watch for information in EYC's weekly e-mail). All you need to do is know how to sail. If you don't yet know how to sail, please take advantage of sailing lessons at EYC. There are lessons available for all ages and levels. The Flying Scot is a great boat for sailing or racing in beautiful Eagle Harbor.

We also hope to have some sessions where members and staff can learn more about boat maintenance and repair, where crews become skippers and skippers become crew, and where we even offer some short destination sailing.

As we start the season, plan to get your boat out of storage and down to the dock early. Do you need parts? Do you need an upgrade? Do you need assistance? Again, our builder has most parts readily available. Don't wait until the end of the summer. As an aside, when I asked two young men in Dallas why they sailed a Flying Scot, they told me that they couldn't get parts for their other one-design boat or it would take six months to get parts. So, they bought an older Flying Scot and decided to fix it up. They would call the builder, get advice, and in every instance when they needed a part, they got the response "It will be going out UPS this afternoon." So, if you've had good intentions about getting your Flying Scot back in sailing shape, now is the time to start planning. (There is also lots of good information available on the FSSA website.) And, our wonderful House and Dock Committee has arranged to get a hose down the dock so that we can all have clean boats.

Come to sail, come to learn, come to race, and get out on the water. I look forward to seeing you on the dock!

## 2024 EYC Aaron R. Moore Sailing Scholarship Event

SHERRY MOORE

### “Denim and Diamonds”

**Friday, June 28, 2024  
6:30-9:30 PM  
About Thyme Farm**

The 11th annual EYC-ARM Scholarship Fundraiser is just around the corner!

Dust off your boots, don your favorite jeans, throw on a hat and be ready for the ride! It will be a fabulously fun evening of Texas barbecue, catered by Alexander's, rollin' with country music. The fabulous venue is About Thyme Farm, nestled in the beautiful fields on County F in Bailey's Harbor. This unique and historic barn is every country girl and guy's dream!

And, let's not forget the purpose of this *Fabulous* Gala -- to raise money to provide our Door County boys and girls the opportunity to learn to sail! Without our help, they would be unable to experience this wonderful opportunity. The families are so very grateful and it helps EYC to fulfill its mission and the continuity of the EYC sailing program.

Be on the lookout for the Evite email coming in late May! You know it will sell out once again! By hook or by crook, get those tickets ASAP! Slop some bacon on a biscuit and let's go! We're burnin' daylight Friends!

## Fyr Bal 2024

### Fyr Bal Festival

Celebrate the transition of spring into summer at Ephraim's Fyr Bal Festival. This Scandinavian tradition of lighting bonfires represents the burning of the “Winter Witch” and welcomes the long days of summer.

### Fyr Bal Regatta

Please see the NOR posted on the EYC's website for more details. Thanks to our Race and Regatta Chair Woody Heidler for keeping up this tradition.

### Fyr Bal Family Cookout

Speaking of traditions, please join us on the dock to cap off the day's festivities by joining other EYC families. We will enjoy an alfresco dinner on the dock. This tradition started so our members could take advantage of EYC's prime location to watch the fires roar along the shoreline. Burgers and brats are provided. Please bring a side dish to share with many and your own beverages. You are welcome to stay on the dock and watch the skies over Eagle Harbor sparkle with fireworks.

## First Mates

LISA FORSMAN

Spring is officially here and that means, in a few short weeks, we'll be ringing in another great season at the EYC! Planning for this year's social line-up is well underway. Grab your calendars and make a date to join us on Saturday, June 8<sup>th</sup> for the Opening Social. Enjoy a

cocktail out on the dock and watch the sunset over beautiful Eagle Harbor while gathering with friends old and new. There are many other activities planned throughout the summer including EYC Fyr Bal events on June 15th, the annual July 4<sup>th</sup> Ice Cream Social, First Mate's Sunset Social July 11<sup>th</sup>, the popular Regatta Party on August 3rd, and our end-of-season event, the Commodore's Party which will once again be held at beautiful Hidden Acres Farm in Sister Bay. If you are a new member, don't be shy about coming to any of these events and others as they are a great way to meet people, build fond memories, and make lifelong friends. Be sure to read the weekly e-mail newsletter to keep on top of everything going on so that you and your family can join us all throughout the summer at these fun and memorable events!

## 2024 Summer Bridge At EYC

SUZANNE J. LISLE

The EYC Bridge offerings in 2024 will follow the same weekly schedule and format as in previous years. Monday Open Play will begin on June 10 from 1:00 p.m. to 3:30 p.m. Tuesday Couples' Bridge will begin on June 11 at 4:30 p.m. Thursday Open Play will begin on June 13 at 9:30 a.m.

For some of the later sessions in last year, we requested players to commit in advance (24-48 hours) to playing on a particular day. The intent was to minimize the prospect of having short or unbalanced tables. That possibility will be open for discussion in the first few weeks as we determine the interest level for the various scheduled times of play.

We again have received some interest in having a beginners group, and that too can be under review. We do not currently have a certified instructor available, but there may be some options of supervised play for relative newbies if there is sufficient interest. Please email me if you are interested in beginner level lessons or play. [suzanne@sjlisle.com](mailto:suzanne@sjlisle.com)

We look forward to another summer of bridge on the water-view porch of our club!

Feel free to contact me via email if you have any other questions. Please put EYC Bridge on the subject line.

## BUNCO!

LAURA O'ROURKE

This is the time of year that we all start looking forward to getting back to our summer socials! I am missing all my

EYC friends and can't wait to get back to our Bunco nights!

Remember, Monday night is Bunco night at EYC. We will kick off Bunco nights on Monday, June 10th. We meet at 6:30 p.m. and start rolling at 7:00. Bunco at EYC is a popular social gathering; it's a great way to reconnect with your old friends and meet some new ones. We welcome new members to join in this fun ladies' night. If you're old enough to purchase a bottle of wine, you're old enough to play. Never played before? No problem; we are happy to teach you. Please join us to enjoy lively conversation, lots of laughter and, of course, breathtaking sunsets on Eagle Harbor, all while supporting our sailing program!

## Eagle's Cry Publishing
